## I-5 ELK GROVE BLVD. TO DOWNTOWN SACRAMENTO BUS/CARPOOL LANE PROJECT PUBLIC OPEN HOUSE/SCOPING MEETING

### The Project

The California Department of Transportation (Caltrans), in partnership with the Federal Highway Administration (FHWA) and the Sacramento Transportation Authority (STA), is proposing to add approximately 13 miles of Bus/Carpool Lanes (also known as High Occupancy Vehicle or HOV lanes) in both directions on Interstate 5 (I-5) in Sacramento County, from about one mile south of Elk Grove Boulevard to U.S. Highway 50. The project will also construct auxiliary lanes in both directions on I-5 between Florin Road and Pocket Road, and will upgrade the existing Casilada Pedestrian Overcrossing to meet the requirements of the Americans with Disabilities Act (ADA).

### Public Open House/Scoping Meeting

You are invited to attend two public open houses/scoping meetings where information about this project will be available. These workshops will allow interested local residents and public officials to attend on a "drop-in" basis to exchange information, review project alternatives, and provide input. Project maps will be on display and handouts will be available. Please contact Mark Dinger, Chief Public Information Officer at (530) 741-4572 (voice phone) or via e-mail at [mark.dinger@dot.ca.gov](mailto:mark.dinger@dot.ca.gov) for more information.
